

# BOP20 BATTERY OPERATED PUMP-5 Gallon

Simple yet clever, the BOP20 is the industry's first 5 Gallon 18V Rechargeable Oil Pump  
Safer with no spills, no funnels and no fatigue using hand pumps. Oils up to 140W / ISO680.

## Easy portable Powerhead

Single Powerhead for multiple pump stems

## Lithium-ion Battery and Charger

18V rechargeable 2.0Ah battery delivers up to 40 gallons per charge

## Drainback Adapter

To drain back oil residue back to the drum \*available Dec 2020

## New modular concept

Sealed wetted parts for zero contamination

## Adjustable suction tube

## Kit Contents

Pump stem, powerhead, hose & gun assembly, battery pack and charger.

## Pump Stem Contents

Pump stem, hose & gun assembly.

## Easy control nozzle

Simple single handed 'on demand' flow nozzle

5ft hose

## Applications:

Mobile Service, Forklift, Heavy Equipment, Vehicle Service, Farm and AG, Gearbox, Compressor, Elevator, Marine, Mining, Turbine, Crane, Truck and Bus, Windmill, Plant Machinery and General Industrial Oiling Uses

## FEATURES & BENEFITS

- On demand flow control
- Sealed wetted parts - zero contamination
- Separate Powerhead – multiple oils with one Powerhead
- Adaptors to suit most workshop fluid containers
- Safety lockout carry handle for simple Powerhead transfer
- No more pumping by hand to reduce fatigue

## TECHNICAL SPECIFICATIONS

- 18V rechargeable 2.0Ah battery
  - Pail Sizes: Nominal 5 gallon (BOP20)
  - Battery - 2.0Ah Li-ion
  - Charger - 45 min fast charge
- BOPSTD - 1 GPM+ low-mid weight oils at 68F**  
**BOPHV - 1.5GPM+ heavy weight oils at 68F**
