

BOPHV

High Viscosity & High Volume
Oils up to 140W - High Flow Rates

Applied
Lubrication
Technology Inc.

THE INDUSTRY'S FIRST 18V RECHARGEABLE BATTERY OIL PUMP IS NOW AVAILABLE IN OUR HV VERSION

- ✓ Good to Oils (oils only) up to 140W
- ✓ Higher Flow Rates / Improved Cool Weather Performance
- ✓ Suitable for 5 Gallon Pails (BOP20) / 16 Gallon Kegs (BOP60) and 55 Gallon Drums*
- ✓ Up to 40 gallons on a single charge, 45 minute quick charge Li-Ion battery
- ✓ Meter Gun Assembly and Extended Hose Length Options now Available

The Battery Operated Pump (BOP) HV model from Macnaught was designed to convey up to 140W oils and provide for higher oil flow rates. Our removable Powerhead allows for multiple pump stems to be in use eliminating cross contamination. No funnels, no hand pumps, no spills. Reach difficult oiling spots easily.

SAFER
No Spills

EASIER
No Manual Pumping

FASTER
No Funnels

BOP20HV & BOP60HV Kits come complete with everything you need to pump oil. Add a Stem for additional oils, ATF¹ or Coolant¹ BOPHV stems include a unique yellow gun hook for easy identification.

BATTERY OPERATED PUMP

BOPHV

Mobile, Forklift, Heavy Equipment, Vehicle Service, Gearbox & Motor, Generator & Compressor, Elevator, Marine, Farm & Ag, Mining, Turbine, Crane, Truck & Bus and many other professional mechanic applications.

Applied Lubrication Technology Inc.

FEATURES & BENEFITS

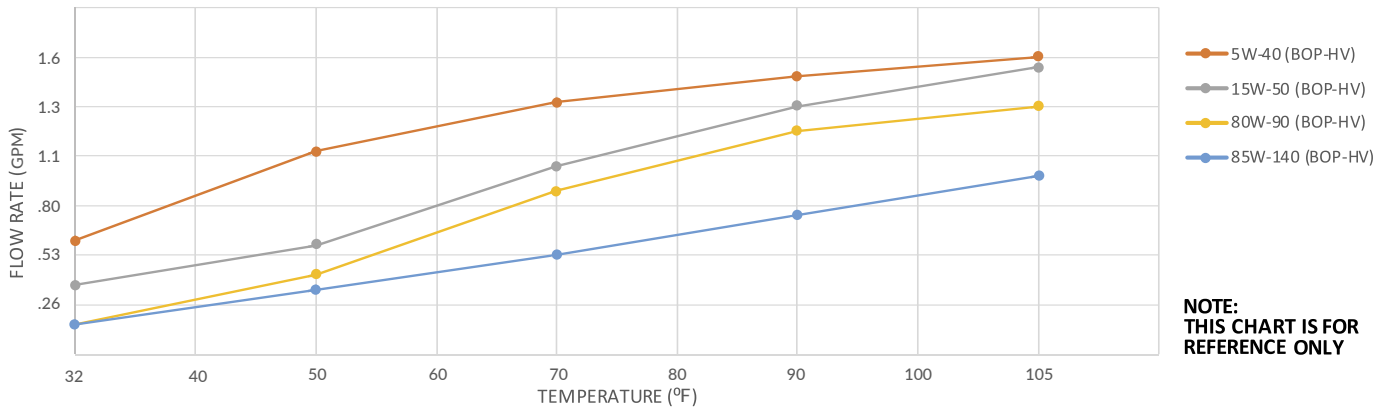

- ✓ Adapter included to suit most 5 GAL pails 16GAL is 2 inch NPT
- ✓ 55 Gallon Drum requires BP-60H V55 stem extender*
- ✓ Highly accurate meter gun assembly option available
- ✓ No more pumping by hand. Greatly reduces fatigue

TECHNICAL SPECIFICATIONS

- ✓ Compatible with heavy duty oils up to SAE140
- ✓ Delivery rate -see below
- ✓ Adjustable Suction Tube for 5 gallon and 16 gallon containers
- ✓ Drum size - Nominal 20L (5GAL) or 60L (16GAL)
- ✓ 5 feet of 3/4" spiral wound transparent hose
- ✓ On demand flow control nozzle

Part Number	Contents	Accessories	Contents
BP20S-OHU BOP20HV Kit	BOP20HV 5 GAL pump stem, hose & gun assembly, powerhead, 18V 2.0Ah battery, 45min fast charger, pail adapter	BP-MGHV	Hose & Gun Assembly with Meter
